

MORROW COUNTY OHV PARK

SAFETY TIPS

- Inexperienced riders should thoroughly acquaint themselves with all vehicle controls before starting out.
- Identify potential hazards and familiarize yourself with the terrain when traveling new routes by making your first ride a slow ride! Avoid surprises!
- Drive within the limits of your abilities. Don't go faster or climb higher than you can safely handle. When in doubt, survey the situation before proceeding.
- Summer at the Morrow/Grant OHV park can mean temperatures in the 100s! Always carry plenty of water to avoid dehydration.
- When traveling with a group of individuals always wait at intersection/s to make sure individual behind you knows which way to go. Insuring group stays together.
- If you choose to go out on a ride by yourself PLEASE let someone know, as well as the area you will be riding, and what time to expect you back at camp or home.
